

My name is Jim Adams and I am the General Manager of Frank Fletcher Toyota. I wanted to take the time to invite **The Quapaw Tribe of Oklahoma** to take a look at the all new Toyota line up. Toyota has set the standard for over 30 years when it comes to safety, reliability, value, resale and the lowest cost of ownership of any vehicle brand, ever!

Fletcher Toyota features the trusted quality models such as:

- Camry
- Corolla
- Prius family
- Avalon
- Rav4
- Highlander
- 4 Runner
- Sequoia
- Tacoma
- Tundra
- Sienna

It has never been easier to purchase a new Toyota. Simply call me on my cell phone or email me at jadams@fletcherauto.com and arrange a product demonstration. Once you have selected a vehicle, you will deal with me personally. No back and forth or games, just upfront pricing and a simple, fast process. **Your Tribal enrollment card entitles you to INVOICE PRICING on every Toyota.** Even the hard to get Tacoma and Highlander. Like I said, it has never been easier.

I am committed to providing you with award winning customer service through the years you own your new vehicle. ***My goal is that you will become a customer for life!***

My personal cell phone number is 620-249-6795. *Please feel free to give me a call if*

I can answer any questions for you. Communication is the key to a great relationship moving forward and I strive to be just a phone call away.

Best regards,

Jim Adams
